In the years 2003-2004 KARRTABYA with the financial support of IGSSS-NEG was running learning Centers for children. Local interested youths had taken the responsibility to run these centers. Remarkable improvements were achieved.

On the basis of this experience, in spite of fund constraint, KARRTABYA running such Schools at village Dainiguda, Pipili and new centre at village Sankarpala of Budhidara GP under Junagarh Block, during the reporting period. The students of these Schools are performing better than the students of Govt. formal Schools, which have encouraged the parents to send their children to these Schools regularly. The Students are getting opportunities to be involved in other curricular
activities.
